1. First Contact

First you will receive a brand questionnaire where you will answer some questions and we will discuss what will be best for your brand.

3. Concept

Based on Moodboards, sketches and inspirations, we will make a 1h Strategy Meeting to discuss the project and to decide the exact idea for the project style and direction.

2. Formalities

After that I will send you the quotation, what will lead us to the Contract signature step, and the first investment of 50% so I can start your project.

4. Project

You will receive the finished project!
(Which can have 2 free revisions, considering each revision one email containing all the desired corrections).
